Break those bad habits

Skim the article. What three bad habits does the article mention?

Some people leave work until the last minute, a lot of us like to spread or listen to gossip, and others always arrive at events late. These aren't as serious as some problems, but they are bad habits that can cause trouble. Habits like these waste your time and, in some cases, might even affect your relationships. Do you wish you could break your bad habits? Read this advice to end these habits forever!

There's Always Tomorrow
1 PROBLEM: Do you leave projects until the very last minute and then stay up all night to finish them?
2 SOLUTION: People often put things off because they seem overwhelming. Try to divide the project into smaller steps. After you finish each task, reward yourself with a snack or a call to a friend.

Guess What I Just Heard
3 PROBLEM: Do you think it's not nice to talk about other people, but do it anyway? Do you feel bad after you've done it?
4 SOLUTION: First, never listen to gossip. If someone tries to tell you a secret, just say, "Sorry, I'm not really interested." Then think of some other news to offer — about yourself.

Never on Time
5 PROBLEM: Are you always late? Do your friends invite you to events a half hour early?
6 SOLUTION: Use the reminder function in your phone. For example, if a movie starts at 8:00 and it takes you 20 minutes to get to the theater, you have to leave by 7:40. Put the event in your phone calendar, and then set it to send you a reminder at 7:30.

A Read the article. Then check (✔) the best description of the article.

☐ 1. The article starts with a description and then gives advice.
☐ 2. The article starts with a description and then gives facts.
☐ 3. The article gives the writer's opinion.

B Where do these sentences belong? Write the number of the paragraph where each sentence could go.

........................ a. You can also ask a friend to come to your home before the event.
........................ b. Ask yourself: "How would I feel if someone told my secrets?"
........................ c. Do you ever make up excuses to explain your unfinished work?
........................ d. Are you ever so late that the people you're meeting decide to leave?
........................ e. You can also ask a friend to call you to ask about your progress.
........................ f. Are people afraid to tell you things about themselves?

C PAIR WORK Discuss other ways to break each of these bad habits.
